

# THE TIME FOR EXPERIMENTING IS OVER

## Move from E1 to E3 and get serious about cloud

So you've dipped your toes into Office 365. Isn't it time you showed your business you're serious about this new way of working?

Find out why moving from an E1 to E3 license gives you a more robust experience that will make full adoption easier.

### What do you get with E3?

#### More capacity for users

Email hosting with  
100 GB mailbox and  
custom email domain  
address

#### Full version of Office included

Desktop versions of Office  
applications: Outlook, Word,  
Excel, PowerPoint, and  
OneNote, plus Access and  
Publisher for PC (E1 includes  
web versions only).

#### More security for you

Extra security and  
compliance tools  
including legal hold, data  
loss prevention and  
more...

As a Microsoft Gold Partner, we provide practical advice on the latest technologies that will take your business to the next level. Contact us today for an essential guidance that will help your business thrive in a cloud-first, mobile-first world.

### We'll help you understand:

Why exactly you will  
benefit from upgrading from  
E1 to E3 for Office 365

How much it  
will cost you per  
user

How you can build your  
business case based on  
return on investment

How you can make  
the upgrade  
hassle-free

Just get in touch to schedule an assessment and we'll help you decide if E3 is the right move for you

Schedule a face-to-face meeting with the sales specialist
